

Mathematics Department Student Supply List

If you are looking to buy your school supplies before the start of the school year the math department has put together a list for our students.

2 binders (one for each half of the year) 1.5 to 2 in width

1 pencil bag with 3 rings that will lock into the binder

12 pencils

2 blue or black pens

4 highlighters- varied colors

4 packs of loose leaf paper

12 colored pencils

1 calculator

NOTE: The Math Department at High Point Regional High School recommends the following calculators:

Scientific: TI-30X IIS or TI-30 XS Multiview

Graphing: TI-84 Plus CE

Please do NOT purchase the TI- 89 or Casio Scientific Calculator.

1 **extra** set of batteries for your calculator. We do not supply batteries.

*Students in Algebra II and higher will need a graphing calculator. It is recommended to have the graphing calculator as early as Freshman year to become familiar with it.

NO booksocks for book covers. We like the old fashion brown paper bag kind.
