

## The A-Z Project

Objective: The objective of this project is to take pictures of things that *look* like the letters A-Z. Take a look at the photo above, it's actually a chain to a porch swing, but the one piece looks like a letter "S". Once you start this project you'll start looking at ordinary things – buildings, cloud formations, playground equipment, etc., and you'll start to see things in a completely different way. It will give you a new perspective on things to photograph.

Created a shared Google Folder titled: "Your Last Name: A-Z"

Due: The first week of school

If you have any questions let me know! Happy photographing :)
