3410. COMPENSATION

The Board of Education will establish the compensation for teaching staff members not covered by the terms of a negotiated agreement.

Part-Time Teaching Staff Members

Part-time teaching staff members will be compensated on the salary schedule negotiated for full-time teachers, prorated to their part-time service.

A substitute teacher who has been employed in the same position for 20 consecutive days will be compensated, commencing with the 21st day of service in that position, at the first step of the teachers' bachelor guide.

A substitute teacher who has been employed to replace a teacher who will be absent for more than two months will be offered a contract in order to ensure continuity of instructional services. Any such contract offered will clearly state that employment is as a substitute for a regular teacher.
