

Board of Education High Point Regional

SUPPORT STAFF MEMBERS

COMPENSATION

The Board shall adopt each year rate ranges for the setting of salaries for the non-teaching staff. Ranges shall be adopted for custodial, maintenance, and transportation employees, and ranges shall be adopted for clerical employees and for cafeteria workers. These ranges shall be higher for critical than for less critical workers. These ranges shall be designed so as to place the Board in a position to compete for non-professional personnel.

The Board each year shall consider salary adjustments with the advice of the administrative staff. Adjustments shall be made by the positions listed in the Administrative Regulations. All employees holding a given position shall receive the same adjustment.

Where positions are subdivided into classes, adjustments shall be set by such classes and all employees in a given class shall receive the same adjustment.
